WORKSHOP NOTES & ACTION ITEMS

Business Systems Workshop

[PENDING] ACTION ITEM

Key Insight on Pricing Strategy

Premium pricing reflects premium service. Don't compete on price - compete on value and experience. This is fundamental to the 6FB methodology.

Marketing & Client Relations

Client Retention Strategy

Focus on building relationships, not just cutting hair. Each client should feel like VIP treatment. Remember: it's not about the cut, it's about the experience.

AUDIO TRANSCRIPTIONS

[MIC] Day 1 Morning Session - Foundation

Recorded: Monday, September 29, 2025 • Duration: 30 minutes • Language: en

> *"The difference between a $35k barber and a $100k+ barber isn't just skill - it's mindset, systems, and approach to business. You need to think like an entrepreneur who happens to cut hair, not just a barber trying to make money. This shift in perspective is everything."*

[MIC] Systems Deep Dive - Client Management

Recorded: Monday, September 29, 2025 • Duration: 40 minutes • Language: en

> *"Your client management system is your lifeline. Every interaction should be tracked, every preference noted, every birthday remembered. This isn't just good service - it's what separates six-figure earners from everyone else."*
